PICNIC CONCERT

The sound of Basel

16 June 2024, 11.00–12.00 Uhr

What do we associate with traditional songs today? Regardless of language or country, folk songs are an expression of home and belonging. The Basel Symphony Orchestra brings these many voices to life. Bring along a picnic basket and a blanket; we'll see to the rest, that is, the music and the right atmosphere.

The concert will only be held in dry weather. For more check with www.sinfonieorchesterbasel.ch
